Open Source Agreement

Capstone Project: _____

I, the undersigned, agree to release my contribution to the above system under an appropriate open source license at or after the conclusion of the capstone course sequence. This includes all of my contributions to the project, including, but not limited to, source code and documentation. I understand that the open source license that it will be released under stipulates that there is no warranty nor liability on my part for any damages incurred through the use of this system.

The default license in the GPL (General Public License), although other open source licenses can be used instead with agreement between the students in the group and the course instructor(s).

I certify that I have read and understand this agreement, and that I sign this form voluntarily.
